GUIDE BOOK 

## Pay Plan Explained

At Apex Beacon Capital, earnings are built on three plans: the Base Asset Growth, Gold Matrix Package, and Premium Earners. Together, they provide both individual growth and team-driven success.

### HOW IT WORKS

#### 1) Base Asset Growth.

*. Example: You purchase the plan with a minimum of \$350. As cycles complete, this plan generates around minimum of \$35 in profit, depending on your invested amount.*

#### 2) Gold Matrix Package.

*. Example: You purchase the plan with a minimum of \$20000. As cycles complete, this plan generates minimum of \$18,000 in profit, depending on your invested amount.*

#### 3) Premium Earners Pay plan.

*. Example: You purchase the plan with a minimum of \$50000. As cycles complete, this plan generates minimum of \$75000 in profit, depending on your invested amount.*

## Triple Earning Advantage

What makes Apex Beacon Capital unique is the ability to earn from all three systems at once:

Unlimited re-entries keep your cycles active. This strategy creates the maximum financial impact.

The Premium Earners package accelerates income through long-term growth.

The Gold Matrix Plan ensures maximum income generated.

The Base Asset Growth ensures steady growth.
